Editorial

I apologize for the lack of content in this newsletter. I try to keep the newsletter to the minimum pages than can be mailed with one postage stamp.

We still have areas left open that are not defined in our Constitution. One thing to consider is to introduce the changes one at a time as needed instead of digesting it all at once.

The first focus should be the areas that we need such as the selecting of a member for the Activity Award or establishing the Membership Chairperson that John Scholz currently does unofficially. This will at least get the ball rolling and resolve inconsistencies. Just some food for thought.

Membership Cards

You should find your membership card attached to this newsletter if you paid your dues on time.

If your dues are unpaid you will need to reapply for membership as a new member using the attached membership application Please fill

out the complete form including the sponsor section.

For those members who have applied for membership but have not been voted in please attend the next meeting (May 23rd) and bring your AMCA membership card.

Smokin Guns Customz

Smokin Guns will be having their open house on May 22. Smokin Guns hosted our successful swap meet and we have been invited to display antique motorcycles. Please call Lyle (609) 859-1013.

Next Meeting

The next Seaboard Chapter meeting will be May 23rd, 1:00 PM at the Medford V.F.W. on Church Road. Directions to the Medford VFW Hall are:

1. From Rt. 70 in Medford, take Medford Mt. Holly Road (Rt. 541 North)
2. At the second traffic light, turn right onto Church Road (Rt. 616 East)
3. Continue on Rt. 616 for approx. 1.4 miles. The Medford VFW hall will be on the left.

Chapter Website

To keep the Seaboard Chapter website active there is a \$30.00 fee that must be paid every 6 months. As mentioned in the minutes we are hoping to cover this fee by allowing any member to dedicate the website to someone of their choice and paying the fee for the 6 month period that they want to dedication to be in place.

Ron Papasso and Dave Minerva made dedications for 2009 and we need members to continue this into 2010.

If you are interested in making a dedication to cover the cost of the website please contact Tom Maroney.
